CAHIER DE TRAVAIL

Introduction

Chers élèves, chers parents,

Comme vous le savez, nous voici confinés pour les quelques prochaines semaines. Les directives en matière de continuité des apprentissages sont claires: par souci d'équité, **nous ne pouvons pas avancer dans la matière.**

En revanche, je peux **proposer des exercices de remédiation et de consolidation**. C'est ce que j'ai décidé de faire.

Vous trouverez dans ce syllabus des **exercices** sur les différents points de **grammaire** et/ou **vocabulaire** travaillés tout au long de cette année ainsi que trois exercices de **compétences** (lecture, audition et rédaction). Ces exercices ne seront **en aucun cas évalués**.

Cependant, je vous conseille tout de même de réaliser quelques exercices de temps en temps en guise de “drill” et pour **maintenir un certain contact avec la langue**. Une langue, pour ne pas être oubliée, **DOIT s'entretenir régulièrement**.

Vous pouvez **faire les exercices à votre rythme** et me les renvoyer au fur et à mesure sur mon adresse e-mail gonda.pauline@gmail.com Je vous transmettrai alors la **correction des exercices réalisés**.

Voici également un bon dictionnaire en ligne au cas où certains mots poseraient problème: <https://www.wordreference.com/>

N'hésitez pas à nous contacter si vous avez la moindre question.

Bon travail :-) !

PART II - SKILLS

READING SKILLS – SCHOOL IN BRITAIN

Contexte :

Tu aimerais vraiment partir un an en Angleterre suivre des cours afin d'améliorer ton anglais. Tu as vu au cours de langues que l'organisation des change par rapport à la Belgique. Tu as un peu peur de ne pas comprendre toutes ces différences une fois sur place. Tu fais donc des recherches et tu trouves un article très intéressant qui pourrait t'aider. Tu aimerais en parler à tes parents afin d'être le plus rassuré possible.

Tâche :

Comme tes parents ne comprennent pas l'anglais, tu fais une liste des points importants du texte. N'oublie pas de mettre en avant les différences par rapport au système éducatif belge.

Answer sheet:

SCHOOLS IN BRITAIN

Do you go to school on Saturdays?

Do you wear a uniform?

Do you like school?

Well, in this programme, we look at British schools and British students.

Most children start primary school at the age of 5. Then at 11 they go to secondary school. All children stay at secondary school to the age of 16. And at 16 in England they take GCSE examinations - that is the General Certificate of Secondary Education.

After these exams, about 30 % of students leave school. The others usually study three subjects for 2 more years (to 18) and then take 'A' levels, or Advanced level examinations. About 20% of 18 year olds go to university. They usually leave home and go to a university in a different town or city. Another 20% go on to other kinds of education and training.

This is the John Mason School in Abingdon near Oxford. Students go to school from Monday to Friday and school starts at 9 o'clock. Most schools are mixed – they're for boys and girls. And at most secondary schools the students wear a uniform. On average there are about 22 students in a secondary school class and about 27 are in a primary school class.

British students have a wide choice of subjects. For instance: art class, food technology class where the students learn about food and cooking, design technology class, science class and foreign languages (many British school children only learn a foreign language from the age of 11. Most students study French. Other popular languages are Spanish and Italian). They also study other subjects – like Information Technology, History, Geography, English Literature and Religion.

Students have lessons in the morning and then a break of an hour for lunch. Some go home for lunch, some bring sandwiches with them and some eat here in the school canteen.

There are classes in the afternoon and school finishes at about 4 o'clock. After school, some students do other activities like sport. Football is very popular, but so are other games like netball, rugby and badminton. And some students learn music.

92% of British schools are state schools. That means they're free. The government pay – not the parents. 8% of schools are independent. The parents of these students pay for their education. Some of these independent schools are boarding schools – the students don't live at home during term time, they live at school. And some of these schools have very traditional uniforms. Like Eton, a very famous independent school near Windsor.

Well, what do you think? Are British schools good or do you prefer your school?

LISTENING SKILLS – FAVOURITE SPORTS

Contexte :

Avec ton frère, tu aimerais te mettre à un nouveau sport mais vous n'avez pas vraiment d'idée. Vous trouvez un podcast intéressant sur internet dans lequel les personnes donnent leur avis sur leur sport préféré. Vous l'écoutez attentivement.

Tâche :

Prends note en français des différentes opinions des personnes. N'oublie pas de mentionner leur sport préféré ainsi que les raisons pour lesquelles elles aiment particulièrement ce sport.

WRITING SKILLS – SPORTS AT SCHOOL

Contexte :

Tu es tombé par hasard sur une émission radio. Dès que tu as entendu le mot 'sport', celle-ci a immédiatement retenu ton attention ! Un concours est organisé dans toute la Belgique de façon à élire l'école la plus sportive du pays.

L'école gagnante se verra offrir une superbe journée dans un parc aventure ainsi que des nouveaux équipements sportifs. Tu es convaincu(e) que ton école a toutes ses chances ! Tu décides donc de participer au concours avec l'aide de ton professeur d'éducation physique.

Tâche :

Prépare une présentation écrite qui sera envoyée à un jury. Dans cette présentation devra figurer :

- Une explication des différents sports qu'il est possible de pratiquer à l'école ;
- La grande variété des équipements sportifs
- Une description détaillée d'un sport au choix en mentionnant également ce que tu aimes/n'aimes pas dans celui-ci.
